

# McNAUGHTON-McKAY & The Reynolds Company Automation Fair At Home **SCAVENGER HUNT**

**RULES:** Visit our Automation Fair Supplier Sponsors' Virtual Booths and complete Scavenger Hunt Items for points. For every 500 points of completed activities you achieve, you will receive 1 raffle ticket into our prize drawing. If all Scavenger Hunt items are completed, you have the opportunity for 45 raffle tickets. **Contest runs Monday, November 16 - Friday, November 20, 2020.**

**PRIZES:** \$250 Visa Gift Card, \$100 Amazon Gift Card, Fitbit Versa Smartwatch, Beats Bluetooth Earbuds, Amazon Echo, Yeti Cooler, Carhart Backpack, Under Armor Backpack, Multi-Tool Knives, Bottle Keepers, Hats, T-Shirts, Golf Shirts, Golf Balls, Portable Chargers, Tervis Mugs, and more.

**ENTRIES:** Once you complete your Scavenger Hunt, submit your form to Lee Ann Ireland at [irelandl@mc-mc.com](mailto:irelandl@mc-mc.com). Make sure to include your Name, Company, and Mailing Address. Activities will be verified with our supplier sponsors.

Supplier Sponsor	Booth Location	Scavenger Hunt Items	Point Value	Completed
Belden	Hardware Technology Hall A-D ZOOM	Download the Belden Single Pair Ethernet in the Industrial Field White Paper	100	
Brady Corporation	Hardware Technology Hall A-D ZOOM	Watch the Brady A5500 Flag Applicator Video	200	
Dialight	Hardware Technology Hall A-D CHAT	Watch the Dialight IntelliLED Controls Video	200	
		Download the Dialight Total Cost of Ownership Flyer	100	
		Bonus points for completing both activities	50	
HMS Industrial Networks	Hardware Technology Hall E-H ZOOM	Attend HMS Demo - E300 Electronic Overload Relays Modbus TCP Integration offered daily at 10:30 AM CST	300	
		Attend HMS Demo - Easy Remote Data Solutions offered daily at 2:30 PM CST	300	
		Bonus points for completing both activities	50	
Hubbell Wiring Devices	Hardware Technology Hall E-H ZOOM	Attend Hubbell WD's InSIGHT Data Monitor Live Demo Mon/Wed/Fri - 10 AM & 1PM CST	300	
		Attend Hubbell WD's Twist-Lock Edge Series Live Demo Tue/Thu 10am & 1pm CST	300	
		Bonus points for completing both activities	50	
MTE Corporation	Hardware Technology Hall I- P CHAT	Attend the On-Demand Technical Session - PT59 - Motor Failure? Protect Your Critical Equipment	500	
		Watch the Product Demo video under the Video Collection tab.	200	
		Head over to the What's New? tab and read about the Sine-Wave Nexus™ 5-Year Motor Bearing Protection Warranty.	100	
		Follow MTE on LinkedIn by clicking on the Follow Us tab.	50	
		Bonus Points for completing all activities	100	
nVent Hoffman	Industry and Solutions Hall ZOOM	Attend Technical Session: PT49 – Keeping Control Equipment Cool in Harsh Environments on Thursday, November 19th at 10AM CST	500	
		Download information about Universal Free-Stand & Global IEC Portfolio	100	
		Download information about Electrical Safety	100	
		Download information about Harsh Environments	100	
		Download information about Food & Beverage	100	
		Download information about Panel Shop Automation	100	
		Bonus Points for completing all activities	150	

Supplier Sponsor	Booth Location	Scavenger Hunt Items	Point Value	Completed
Panduit Corporation	Hardware Technology Hall I- P CHAT	Attend the Panduit Technical Session - PT41 Single Pair Ethernet Applications and Implementation on Tuesday, November 17 at 10:00 AM CST	500	
		Watch the Panduit Field Terminable Plugs – Easy, reliable field connections for cameras, access points, and more Video	200	
		Watch the Panduit MP100 and MP300 Mobile Printers – New line of mobile printers powered by Epson Video	200	
		Download the Panduit OneMode – Upgrade your multimode fiber to singlemode...in an instant PDF	100	
		Visit the Single Pair Ethernet – Official Launch Landing Page	50	
		Bonus Points for completing all activities	125	
ProSoft Technology	Hardware Technology Hall I- P ZOOM	Visit the ProSoft Technologies both and speak with one of their representatives about their product offerings to learn what the Secret Code Word Is	300	<b>secret word</b>
Softing	Hardware Technology Hall R-Z CHAT	Attend the Softing Tech Session - PT55 Cement Plant Improves Reliability with Redundant Fiber Architecture Friday, November 20 at 2:00 PM CST	500	
		Attend Softing's Live Demo on NetXpert XG Ethernet Cable Testing <a href="https://itnetworks.softing.com/us/events/rockwell-automation-fair-demos/">https://itnetworks.softing.com/us/events/rockwell-automation-fair-demos/</a>	300	
		Attend Softing's Live Demo on Phoenix Digital Redundant Fiber Communications Modules <a href="https://itnetworks.softing.com/us/events/rockwell-automation-fair-demos/">https://itnetworks.softing.com/us/events/rockwell-automation-fair-demos/</a>	300	
		Attend Softing's Live Demo on tManager In-chassis Module Connect PLC Analytics <a href="https://itnetworks.softing.com/us/events/rockwell-automation-fair-demos/">https://itnetworks.softing.com/us/events/rockwell-automation-fair-demos/</a>	300	
		Bonus Points for completing all activities	125	
Spectrum Controls	Hardware Technology Hall R-Z ZOOM	Take your picture in Spectrum Controls "The Matrix"	50	
		Choose Spectrum Controls Red Pill or Blue Pill	100	
		Request Your Free InView Demo Unti 30-day No Cost, No-Obligation <a href="https://www.spectrumcontrols.com/matrix/af2020/">https://www.spectrumcontrols.com/matrix/af2020/</a>	300	
		Attend Spectrum Controls Tech Session PT47 - Micro800™ Controllers: Spectrum Controls Helping Rockwell Automation Extend System Solutions on Wednesday, November 18 at 6 PM CST	500	
		Bonus Points for completing all activities	100	
Stratus Technologies	Hardware Technology Hall R-Z ZOOM	Attend Stratus' PSUG Session: Digital Transformation at Buckeye Partners - Hear from Buckeye Partners on how they are digitally transforming their business by encouraging the convergence of IT/OT, leveraging Rockwell's powerful PlantPax solutions and protecting their edge computing with Stratus Technologies. Watch Monday, November 16 at 3pm CST.	500	
		Attend Stratus's On-Demand Technical Session: 3 Successful Blueprints to Deploy Software on Edge Computing + Demo	300	
		Visit Stratus' virtual booth to learn about Edge Computing Trends and get registered to win an Oculus Quest 2 all-in-one virtual reality headset	50	
		Bonus Points for completing all activities	75	
Wittenstein	Their Website	Download the Cynapse Brochure: Self-monitoring gearboxes that track and record temperature, vibration, acceleration and mounting position. <a href="https://alpha.wittenstein-us.com/cynapse/">https://alpha.wittenstein-us.com/cynapse/</a>	50	
		Download the Small Industrial Servo Drive Systems Brochure: Ultra-compact drive and motor systems with real-time CIP sync functionality, decentralized intelligence and STO safety function. <a href="https://cyber-motor.wittenstein-us.com/small-servo-drive-system/">https://cyber-motor.wittenstein-us.com/small-servo-drive-system/</a>	50	

**Contest runs Monday, November 16 - Friday, November 20, 2020.**
